level.app — onboarding · the contract
STEP 04 / 05 · CORES

LEVEL

04 / 05

THE CONTRACT · CORES

Three things you will *not* negotiate with yourself for ninety days.

Cores are binary. You either did them, or you didn't. Once signed, they are locked for 90 days — you cannot change targets, cannot remove a core, cannot reduce a schedule. This is the friction that makes the system work.

YOUR THREE CORES

I **Gym**
STRUCTURED LIFT · 45 MIN MINIMUM

4× / WEEK

MON · TUE · THU · SAT

SUBTASK · BINARY

- [x] Complete a structured workout, ≥45 min, with logged sets.

II **Eating**
BULK · SURPLUS + PROTEIN

DAILY

EVERY DAY

SUBTASKS · BOTH MUST HIT

- [x] **Calories** — ≥ 2,950 KCAL · MAINT + 400 — Edit
- [x] **Protein** — ≥ 145 G · 1.8 G / KG — Edit

Logged as a single binary at end of day. LEVEL doesn't track foods — you do, however you like. Honesty is the only auditor.

III

Coding

DELIBERATE PRACTICE
